Stretch Qconnect Wins 2020 Qlik Partner Award

Recognized for Outstanding Achievement, Innovation and Joint Customer Success with Qlik

On January 28, 2021 – Stretch Qconnect, announced today they have been recognized by Qlik as the Qlik Solution Provider Partner of the Year EMEA of 2020.

Presented annually, the awards recognize the Qlik partner community for excellence in several different categories both on a global scale and within key regions.

Elite Partner Stretch Qconnect

“Through the past challenging year, Qlik’s global partner ecosystem continued to have a real impact on helping current and future customers drive more value from data with their investment in Qlik,” said Peter Leddy, Vice President of Global Partner Organization, Qlik. “We are proud to recognize partner excellence in helping Qlik deliver on our vision of Active Intelligence through our unique end-to-end data and analytics platform in markets across the world.”

” At Stretch Qconnect we are very proud and happy to be recognized as Qlik Solution Provider of the Year 2020!” said Martin Sahlin, CEO Stretch Qconnect. “This award acknowledges our hard work and that our strategy, with a 100% loyal focus on Qlik, is the right approach to deliver value for our customers in the market”. “Even though we are proud of this achievement, we aim higher and look forward to even greater years to come. With the combination of the cutting-edge Qlik portfolio, covering data integration and data analytics, and our own value-adding Stretch Products, the future looks very bright”.

About Stretch Qconnect

Stretch Qconnect is a modern business intelligence partner and certified Qlik Elite Solution Provider. Their experienced analytics experts provide advisory and implementation services to companies and organizations across the globe looking to win with analytics. Stretch Qconnect is committed to delivering the best Qlik solutions and they expand the impressive Qlik product line with their own line of value-adding products.

About Qlik

Qlik’s vision is a data-literate world, where everyone can use data and analytics to improve decision-making and solve their most challenging problems. A private SaaS company, Qlik provides an end-to-end, real-time data integration and analytics cloud platform to close the gaps between data, insights and action. By transforming data into Active Intelligence, businesses can drive better decisions, improve revenue and profitability, and optimize customer relationships. Qlik does business in more than 100 countries and serves over 50,000 customers around the world.
